

Oasis is designed for **your customer's lifestyle**

ABOUT OASIS

Oasis is a new line of dispensing closures that are manufactured by PHOENIX, a packaging industry leader with quality products, a sharp consumer focus and responsive service.

SHELF APPEAL

The contemporary design of Oasis helps your products stand out on the shelf. Gloss and ribbed finish options and unlimited colors let you customize to fit your brand. Oasis delivers true shelf impact for your entire product line.

SECURE SEALING

You want product integrity. Your customers want leak-free packaging. Oasis has you covered with plug seal orifices and linerless bottle sealing or optional liners.
